When Mr. T. Paramasiva Iyer visited Seringapatam in June 1909, he suggested in his remarks in the visitors' book of the Memorial Chattram there, that "a tablet to show that it was erected to keep green th memory of the late good and wise Sovereign of Mysore will be proper".

2. The Executive Engineer, Mysore Division, was thereupon requested to send up a sketch of a suitable tablet together with an estimate for placing the same. The Executive Engineer has accordingly submitted the plan of a marble tablet and reported that the cost of making and putting it would be about Rs.50.

3. The Deputy Commissioner of Mysore who was also consulted in the matter states that the putting up of the tablet is desirable.

4. I am of opinion that there should be two tablets, one in English and the other in Kannada. The English tablet may be worded "Chamarajendra Memorial Chattram, 1904" as proposed by the Executive Engineer The Kannada may be ಶ್ರೀ ಚಾಮರಾಜೇಂದ್ರ ಒಡೆಯರವರ ಛತ್ರ. The estimate may be raised to Rs.100 to meet the cost of both. The expenditure will be met from the funds at the credit of the institution.

in the matter of constructing the bath

proposed alterations do not appear to be necessary, considering the class of travellers for whom the building is intended - I agree in this view.

There is a 1st Class Travellers Bungalow available for travellers of the class who use bath rooms in the European fashion. The desirability of the proposed alteration is therefore doubtful.
